PROFILE

Aspiring Software Engineer with a strong foundation in software development and machine learning, built through hands-on internship and project experience in full-stack and ML applications. Looking to start my career at a company where I can build real-world solutions and keep growing as an engineer.

EDUCATION

Vignan's Lara Institute of Technology and Science – B.Tech CSE(AI&ML) <i>CGPA: 8.83/10.00</i>	2023–2027
Sri Chaitanya Junior College – Intermediate (MPC) Percentage: 94.5	2021–2023
Sri Sai High School – SSC <i>CGPA: 10.0</i>	2020–2021

SKILLS

- **Programming Languages:** Python, C, SQL
- **Web Technologies:** HTML, CSS, JavaScript (Basic)
- **Soft Skills:** Adaptability, Time Management, Team Leadership
- **Tools & Platforms:** Git, GitHub, VS Code
- **Databases:** MYSQL

INTERNSHIP

- **Uptoskills – Artificial Intelligence & Machine Learning Intern (Virtual Internship)**
 - Developed and enhanced full-stack web application features using React, Node.js, Express.js, and SQL databases.
 - Implemented new features, refactored UI components, and improved overall application functionality.
 - Contributed to multiple feature implementations, bug fixes, and UI refactoring tasks through GitHub pull requests.
 - Collaborated with team members using Git and GitHub in an Agile development environment.

PROJECTS

- **Smart Water Quality Prediction Using Machine Learning and Explainable AI (XAI)**
 - Developed an end-to-end machine learning application to predict water quality as **Safe** or **Unsafe** using physicochemical parameters.
 - Performed data preprocessing, feature engineering, and model training using Scikit-learn to improve prediction performance.
 - Integrated **SHAP-based Explainable AI (XAI)** to provide feature-level explanations and improve prediction transparency.
 - Implemented Oracle Database integration for user authentication and secure storage of prediction records.

CERTIFICATIONS

- **NPTEL Certification:** The Joy of Computing in Python
- **AI For Techies Workshop:** Python Using AI Workshop
- **Cisco Certification:** Introduction To Data Science, Introduction to Modern AI

ACHIEVEMENTS & ACTIVITIES

- Participated in TECHFUSION 2025 at RVR& JC College Of Engineering(A).
- Participated in college level Hackathons and coding contests.
